

HURRICANE RESPONSE

The National Hurricane Center predicts an above average season with 12 to 18 named storms, six to 10 hurricanes and three to six major hurricanes which are Category Three and above.

Are you ready? Your disaster responses plans aren't complete without the following phone number:

800-637-5471

When hurricanes strike, call this number to put the power of Hulcher Services to work for you. Since 1963 Hulcher has been a leader in emergency response for the railroads, industry and governments.

Hulcher provides a variety of disaster response services:

- Wheel / traction motor changes
- Debris removal
- Track restoration, panel installation and replacement
- Rock / debris hauling and removal
- Vacuum truck services
- Demolition
- Site remediation
- Commodity salvage and reclamation

Hulcher has nine divisions in Gulf Coast states and can mobilize resources from 26 more U.S. locations in the event of a large-scale disaster.

Our fleet of 250+ pieces of heavy equipment is ready to support your clean-up, operated by professionals who are trained, experienced and safety-certified to provide disaster response support in railroad, industrial and commercial environments.

When the worst happens, call Hulcher to trust the experience and expertise that have made us the leader in emergency response for almost a half-century.
